VIBRATIONAL - FREQUENCY

POTENTIATED OLIVE OIL

BEST EXPERIENCE IN ENERGY MEDICINE

IN THIS UNIQUE PRODUCT

Using the latest achievements of vibration and resonance in medical technology, which is based by Nikola Tesla and carefully selecting specific varieties of cold pressed olive oil, in which innovative technology embeds range of specific energy revitalization and healing frequencies, we get emphasized olive oil of exceptional and unique medicinal properties.

Healing and healing potential of this product is huge, quick striking and is based on entirely natural resonant curative processes that leave no possibility for the appearance of any harmful effects.

Potentiated olive oil does not contain any additional chemical compounds, but the mechanisms of action rely on the potentiation of energy (highlighting) of the healing properties of specially selected cultivars of cold pressed oil.

These oils without any kind of risk can be used by children, elderly or sick people as well as pets (dogs, cats ...). These oils can be used on all parts of the skin or mucous membranes.
